Manual Signatures Office
THE SECRETARY OF STATE,
John P. McDonough,
16 Francis St , Annapolis, Maryland, 21 401

Dear Sir or Madam

I was referred to your office by the clerk of the Maryland Court of Appeals, October 5, 2011 after making a formal request to the courts office for copies of the original oath of office, or signed by the judges of the Maryland Court of Special Appeals and Maryland Court Of Appeals, which I now understand are in the possession of this office as the custodian of records for the state.

This is I am forced to ask that your office to furnish me with copies of the completed manual signature forms, pursuant to the Maryland uniform facsimile signatures of public officials act, being sec. 2 – 301 through 2 – 306 of the states finance and procurement article of the Annota ed Code of Maryland

I am formally requesting a copy of the signed oath of office of each and every currently active member of the Maryland court of appeals and court of special appeals judges and the clerks of these respective courts to produce to the United States Supreme Court as evidence of official documents in case number 10 – 10236. As I have produced to the courts record 300 unsigned orders as proof of fraud on behalf of the judges and clerks of the Maryland courts of appeal. Video evidence is available@secretjustice.com programs 240 through 244, the latest to be put up today. I am attaching a copy of your certificate of filing of manual signature of public officials [Att. 1] I would also like any an estimate of how many notary applications are on file for these two courts as it appears many documents are being sent out in violation of nonconformance with the established notary statutes of the state [Att. 2]

The events of October 5, 2011 which are memorialized@secretjustice.com on videotape programs 344, which a witness and myself verified after visiting the Court of Special Appeals; upon reviewing case file # 1093 2009 term at the request of the victim Sharon Galloway, no signed order could be found in the case file, necessitating the request for the copies of the judicial signatures as they are necessary to submit to the Supreme Court of the United States as proof of the official record of your office and the validation of court officers oath of office required under state statute.

This request is for the signed oath of office. You have it in your custody with the following parties The Honorable Peter B. Krauser Chief Judge, Judge James R, Eyler, Judge Deborah S. Eyler,

Judge Timothy E. Meredith, Judge Patrick L. Woodward, Judge Robert A. Zarnoch, Judge Albert J. Matricciani, Jr., Judge Kathryn Grill Graeff, Judge Christopher B., Judge Michele D. Hotten, Judge Shirley M. Watts and the Clerk of the Court Leslie D. Gradet' respective copies of their oath of offices. [Att. 3]

Also Court of Appeals Judges the Hon. Chief Judge Robert M. Bell, Judge Lynne A. Battaglia, Judge Sally D. Adkins, Judge Clayton Greene Jr., Judge Joseph F. Murphy Jr. (ret.), Judge Mary Ellen Barbera, Judge Glenn T. Harrell Jr. also clerk of the court Bessie M. Decker, Clerk respective signed oath of office. [Att. 4].

Per your offices official request form. I am enclosing a check for \$100 for the above referenced documents to cover the expense of these documents and their authentication by your office. Time is of the essence as the matter is currently before the US Supreme Court and the documents are crucial to my defense and the matter before that court.

I'm further requesting that your office provide if possible, if not direct me to the office, that would administer the state bond on judicial officers and the courts; as it may be necessary to bring action against the bond for restoration of rights, properties, and liberties taken by the courts and their officers; in conflict with the Constitution of the state and the common law rules of this nation. [Att. 5]

Further is my understanding that Maryland has not adopted or authorized the use of electronic signatures in our state courts if it has and I have been provided erroneous information, could you please attach a copy of the Governors order and legislative Bill number that would allow our courts to work outside of the Constitution and rule of law. Once again video evidence is available@secretjustice.com programs one through 344, showing the urgency of this request.

Respectfully submitted,

George McDermott
